

Appendix K

Supplemental Materials

The following materials represent integral research and background information on the Committee's deliberations and final recommendation and should be considered a part of the final report. Due to the quantity and length of these documents they are not included in the CLC Recommendation published for general distribution.

These materials are available for review at the John Jermain Memorial Library.

- Meeting Summaries
- Building & Zoning Plans & Data
- Community Outreach Responses
- Notes & Photos from Library Visits
- Correspondence
- Media Coverage
